

TPWNBT

TPWNBT "BATTERY" PALLET TRUCK SCALE WITH RECHARGEABLE BATTERY

The only entry level pallet truck scale with high-end features and quality made in Italy. Manufactured, calibrated and adjusted in Italy by Dini Argeo, using certified sample masses. Powered by internal rechargeable battery.

**The best solution
for advanced industrial
applications**

WEIGHING FEATURES

- Resolution: 0.2 kg.
- Maximum lifting capacity: 2000 kg.
- Precision: +/- 0.05% of maximum capacity (weighing of goods on Europallet with distributed load).

WHY CHOOSE TPWNB T DINI ARGEO

- The only entry level pallet truck scale that weighs with a resolution of 0.2 kg.
- It is the lightest on the market, while maintaining a robust and rigid carpentry to weigh accurately.
- The only one without junction box, with adjustment of each load cell from the display.
- 4 Dini Argeo approved steel load cells, with IP67 protection rate.
- The large 25 mm shockproof LCD display makes it easier to read.
- Backlighting with automatic switch-off, adjustable from the keyboard to adapt to any working conditions.
- Waterproof keyboard for industrial use.
- Power supply via internal rechargeable battery with 80h autonomy (battery charger with EU plug included in the supply).
- Programmable automatic switch-off, which extends the working autonomy.
- Each pallet truck is tested and supplied with the corresponding certificate to guarantee the declared accuracy.

THE EASIEST ONE TO RECALIBRATE AND REPAIR

- The only one without junction box: the adjustment of each individual cell is done comfortably from the keyboard.
- Spare and wear parts always available and ready for delivery.
- Service centres throughout Europe and the world.

MAIN FUNCTIONS

- Weighing functions: Zeroing, Tare, Preset Tare.
- Operating modes selectable directly by the user, via dedicated button:
 - lb/kg conversion
 - Free conversion factor (meter counter, litre counter, etc)
 - Weight totalisation
 - Piece counting
 - Hold.

AVAILABLE FOR IMMEDIATE DELIVERY

- Fast delivery with products always in stock.
- The protective packaging on pallets guarantees optimal protection of the product and is composed of entirely recyclable materials.
