

PRODUCT INFO

Salus 600

Bench Platform Scale

The Salus is a single point bench platform scale fitted with a stainless steel load cell from Flintec.

These units are designed and manufactured in Leicester by MWS. As standard, the Salus is fitted with a Micro 600 Indicator.

The hygienic fold flat plate design has been tested to destruction to ensure optimum strength-by-design. The closed design makes cleaning easy and less bug traps than alternative single piece models.

Application

- Check weighing
- General Purpose Weighing

Features

- Portable weigh scale with Micro 600 weight indicator for simple portion control
- Smooth open plate design for ease of cleaning when the top pan is removed
- Five 40mm diameter neoprene rubber feet for easy levelling of the weigh base.
- Lower cost of ownership due to long-term lifespan of the product and components fitted
- Lifetime warranty on the structural integrity of the fabrication, other components are covered for 5 years

Standard Features

Optional Extras

Specifications

Construction

- Material: 304 Stainless Steel
- Finish: Glass Bead Blast
- Load Cells: Flintec Single Point
- Levelling Feet: 40mm Neoprene Rubber
- Weight Indicator: Micro 600
- Power Supply: Mains or Battery Options
- Temp Range: - 10 °C / + 40 °C

Options

- 316 Stainless Steel Material
- Electro Polish Finish
- Custom sizes, Heights & Construction
